Affected Products

VersaLogic Part Number	Change	Migration Options
VCM-DAS-1	Product End of Life (EOL)	VCM-DAS-2 VCM-DAS-3 Contact VersaLogic Sales for migration options and last-time buy information

Details

VersaLogic is discontinuing the VCM-DAS-1 Analog to Digital expansion board. This product is beyond of its 5 year availability guarantee and several key components used on this board have been discontinued by their manufacturers. There are no second sources or alternates available for the components being discontinued.

Customer Impact

These products will be subject to a product transition period, during which pricing and availability will be affected, as described below. Please contact [VersaLogic Sales](#) to discuss products that might provide a suitable migration path.

Product Transition Period

VersaLogic will provide a product transition period for this product as follows.

- **Inventory:** Off-the-shelf availability will be maintained through October 30th, 2016.
- **Existing Orders:** Orders placed before the date of this product advisory will remain in force and are not affected by this product EOL.
- **Availability from Stock:** Off-the-shelf availability, at current pricing levels, will be maintained through October 30th, 2016.
- **Future Delivery:** NCNR (non-cancelable, non-returnable) orders received on or before October 31st, 2016 will receive guaranteed delivery and current pricing. NCNR orders placed after October 31st, 2016 will be accepted subject to product availability at current market pricing. All deliveries must be taken by October 31st, 2017.
